Global Generosity, Inc.

YOUR TWO-PAGE ROADMAP

A charitable idea. A responsible path forward.

For ongoing fiscally sponsored efforts and defined charitable projects.

FISCAL SPONSORSHIP / BUILD THE FOUNDATION

1

Shape your charitable idea

Define your charitable purposes, proposed activities, beneficiaries, leadership, budget, timeline, and expected funding sources.

MILESTONE A clear project concept to share with GGI.

2

Apply & connect with GGI

Complete an application as part of onboarding. GGI reviews your proposed effort for approval and connects with your team on the relationship and next steps.

MILESTONE An approved application and connection with GGI.

3

Write your mission & scope

Prepare a mission statement and a clear scope of services and/or efforts listing the charitable activities you plan to initiate. These support the agreement and guide later activity reports.

MILESTONE A mission statement and a defined scope of services.

WHAT FISCAL SPONSORSHIP PROVIDES

GGI provides nonprofit structure, financial administration, and oversight so approved charitable work can operate through its established 501(c)(3) organization.

WHAT YOUR EFFORT BECOMES

Your division or project operates within GGI's charitable structure under a written agreement. It is not a separate tax-exempt organization.

NEXT: Finalize the agreement, coordinate funding, and begin the approved work.

Bring your mission to life with GGI.

A written agreement, a designated fund, and clear accountability.

FISCAL SPONSORSHIP / AGREE, FUND & BEGIN

4

Finalize your written agreement

Finalize the fiscal sponsorship agreement, supported by your mission statement and scope of services. It establishes the approved work, responsibilities, and terms.

MILESTONE A written agreement in place.

5

Set up your Single Charity Fund

Each fiscal sponsorship or charitable project will establish a Single Charity Fund at the National Christian Foundation. That fund will serve as the sole funding source for the sponsorship or project.

MILESTONE A designated fund and coordinated funding arrangements.

6

Carry out the work & report

Submit invoices to GGI with activity reports explaining the charitable work accomplished and how it relates to your scope of services. GGI maintains records and reviews charitable use.

MILESTONE Invoices accompanied by reports of completed charitable work.

WHEN CHARITABLE FUNDS ARE HELD AT NCF

Once the division is approved and a written fiscal sponsorship agreement is in place, funds can be granted to GGI from the applicable NCF fund.

IMPORTANT TO KNOW

GGI retains oversight and control of funds it receives. Sponsorship does not include grants, guaranteed funding, or fundraising services.

All such efforts are in the furtherance of the charitable purposes of GGI.
